We asked that you turn in your medical and permission forms by May 1. If you have not turned them in please do so now. If you have **late participants who have not** turned in their forms by the Wednesday before your work week, please **do not** put the forms in the mail. Take them with you to the registration location and give them to the Prayer and Action team.

We have also included a checklist of items that should be brought on the trip. They include:

1. A water bottle
2. Work clothes (something appropriate to paint in), all shirts must have sleeves.
3. Recreational clothes, swim suit (no two piece-or bring cover up to swim in)
4. Towel
5. Sun screen
6. Notebook/journal to write in with a writing utensil
7. Toiletries (soap, shampoo, toothpaste, sanitary items, etc)
8. Recreational activities (playing cards, frisbees, footballs, etc)
9. Snack food (we recommend that this be kept together in some sort of a labeled container for your group)
10. Sleeping bag (a blow up mattress would also be ok)
11. Pillow

We will make efforts to make the showers as private as possible, and we will also have separate times in which the students and the adult leaders will be able to shower. However, if a student would like to have even more privacy, we recommend they bring a bathing suit to shower in.

In regard to clothing, please remember we are a Christian camp and modesty is expected. While shirts with sleeves will be worn at all times we do allow shirts without sleeves on the work site. (The sleeves can be cut off only at the seams and not beyond.)

We would also like to ask you to bring a few supplies such as paint brushes, scrapers, and maybe a few other common tools. Each group may also bring with them a few snacks for the youth to eat should they get hungry between meals or during their free time.
