OFFICE OF SAFETY AND SECURITY

CMGCONNECT 2.0 UPDATE! - Thank you for your patience and support during the recent relaunch of the CMGConnect data base. CMGConnect will be updating flyers and guides over time and will get those to us as soon as they are available.

CMGCONNECT DATA BASE CLEANUP – On November 15, all users with an **expired** certification status or an **incomplete** status were archived, and those users are **not** allowed to minister with children at this time. Moving forward if those users choose to update or complete their training and background check, they will need to contact Wendy or Corey at the Chancery (785-827-8746). Once unarchived, they may update or resume training and continue their ministry with children. As we move into the New Year, please continue to monitor the data base weekly, making sure everyone is certified and current. Thank you for your cooperation and understanding.

PARISH & SCHOOL AUDITS – Please note, the tentative start date for on-site visits to parishes and schools in the West Deanery plus those in Manhattan, Ogden and Junction City, has been moved to March as we are in the process of updating our Policy and we hope to be finalized before making our on-site visits to parishes and schools. In late January, more information will be emailed to those Safety Coordinators and Priests/Principals in the West Deanery plus those in Manhattan, Ogden and Junction City regarding times and locations. Thank you for your patience, cooperation, and continued support as we Promise to Protect, Pledge to Heal.

CERTIFICATION STATUS SHEETS – Thank you to all of the Safety Coordinators in the Diocese who are diligently getting their new volunteers and employees trained and into the CMGConnect data base. As a reminder, if you have not yet returned your Certification Status sheets, or information sheet, please do so as soon as possible so those can be verified and filed.

After putting the announcement in the bulletin, please mail or email copies to wendy.backes@salinadiocese.org as she will put them in Diocesan files to share with the auditors. Please continue to be faithful with this request.

THE SHEPHERD - Attached please find the January Edition of our newsletter, The Shepherd. Take time for yourself in 2020! The Safe Environment program has policies and procedures and requirements that need to be followed. Please be mindful of those as our safe environment programs are in place to assist parents and children—and those who work with children in securing a safe environment for our young people where they can grow to full and human Christian maturity.

Thank you again for all your hard work this past year, as we continue our mission, **Promise to Protect, Pledge to Heal.**

OFFICE OF FAMILY LIFE/NFP

Please see attached flyer with registration form to promote this event in your parishes.

NATIONAL MARRIAGE WEEK USA - It's time to start planning for National Marriage Week February 7-14, 2020. National Marriage week is a great opportunity to spread the message that marriage is truly worth it. Marriage adds years to your life. Research shows that married couples live 2-10 years longer than their single counterparts. Statistically married couples are healthier physically and mentally; are less likely to develop mental problems like depression; see more positive recovery from surgery; and even sleep better. Married couples tend to stay away from risky business, like driving too fast or drinking in excess; and feel a responsibility to stay alive and well for their spouse and children. Researchers have long known that marriage has demonstrable benefits for society and certainly for children who grow up with their mother and father in an intact home. For more information, click [HERE](#).

CATHOLIC GRANDPARENTS CONFERENCE - Mark your calendars for March 27, 2020. The Office of Family Life and NFP will be sponsoring a Catholic Grandparents Conference at St. Elizabeth Ann Seton Church in Salina. Guest speakers will be Sharon Witzell, Senior Adult Ministry Coordinator for the Diocese of Wichita, who will speak about the book, Dreams for your Grandchildren by Allen Hunt; and Marilyn Henry, International Ministry Coordinator for the Catholic Grandparents Association, who will speak about Passing on the faith and keeping prayer at the heart of family life. Please use the attached flyer to promote this event in your parish. There is no cost to register for the event, however a Free Will Donation will be collected. In addition to the speakers, the day will feature Mass and a light Lenten Lunch. Register online at salinadiocese.org/family-life, or call 785-827-8746. Registration deadline for the event is March 20, 2020.

PURIFIED - with Jason Evert will be coming to the Diocese of Salina **March 30, 2020, 7 P.M. - 9 P.M.** Immaculate Heart of Mary Church, Hays. Purified brings parents and teens (13+) together to discover God's plan for love and opens up an opportunity for them to continue the discussion about this important topic at home, in a healthy and easy way with resources that work. The event includes a new version of Jason's renowned talk Love or Lust, where he mixes humor with down-to-earth practicality that removes any awkwardness, making the difficult conversations about love much easier. Your family will leave with an understanding of the good news of chastity, a healthy sense of self-worth, and the ability, if needed, to start again. The night includes Eucharistic Adoration, praise and worship, and an opportunity to receive the sacrament of Reconciliation. This format transforms a simple talk into a mini-retreat for the family, allowing them to encounter the source of purity, healing, and renewal, Jesus Christ. Tickets are on sale now at chastity.com/purified/#tickets. Tickets are also available from the 3 parishes in Hays, Immaculate Heart of Mary, St. Nicholas of Myra, and St. Joseph. Please see the attached Flyer and Bulletin Insert to run information about this event in your parish bulletins.

Church in Partnership

Diocesan Ananias Certificate

*-Partnering with Catherine of Siena Institute-
-Evangelizing with Joy-*

The goal of Ananias Training is to form a people equipped to be Ananias to one another within the Church as well as in the world.

Ananias Training is designed to form parishioners with no previous training in "the art of spiritual accompaniment".

In Acts 9:10, we read of the Lord appearing to Ananias asking him to accompany Saul, a known persecutor of Christians. Ananias says yes, despite his fears.

One might say – Ananias welcomes one from the peripheries.

What does it mean to know you are called to journey alongside your brothers and sisters as another Ananias?

What does it mean you are not alone in that call?

What gifts has God given you to be an Ananias for others?

What tools do you still need?

Obtain a Diocesan Certificate in Ananias Training by completing three live-and-in-person Pastoral Ministry Formation offerings dedicated to Ananias Training:

Get Equipped - Ananias Training 1 of 3 [THEO 4881]
April 24 & 25, 2020

RCIA Kansas - Ananias Training 2 of 3 [THEO 4881]
September 11 & 12, 2020

Get Equipped - Ananias Training 3 of 3 [THEO 4881]
April 16 & 17, 2021

Heartland Center for Spirituality, Great Bend, KS

Certification includes completing required assignments. Each offering builds on the one before it. One not interested in certification will find each offering valuable as a stand-alone offering.

THEO 4881 Get Equipped Ananias Training 1 of 3 (1 hour course)

Ananias Training offers practical ways to help ordinary Catholics live out the call to spiritually journey alongside others.

This live-and-in-person gathering will enter Ananias' story to discover our own call to accompany.

The gathering will explore what it means for us that no two journeys of life are the same and what it means to have a threshold conversation.

This will lead participants to listen to real questions and opinions about God so as to be able to guide a person to discover how God is present and active in their life. By accompanying one another we will share our relationship with God and how we may share Jesus Christ's own story in response to the spiritual hunger of another.

*This course is one of the 1 hour courses that may be used to obtain the Diocesan Certification in Youth Ministry or the Diocesan Ananias Certificate.

Class Dates: Apr. 24 & 25

Location - Heartland Center for Spirituality

Cost: 1 hr. course for college credit - \$50.00*
Personal enrichment included in fee to Heartland. *Does not include books.

Fr. Robert Schremmer is Vicar General of the Dodge City Diocese, Pastor of St. Andrew, Wright, and Sacramental Minister for St. Joseph, Greensburg. He holds a MA Degree and MTh Degree from St. Thomas Seminary, Denver, CO.

THEO 4003 Christology (3 hour course)

More than creed or culture, Christianity is a relationship with a person. Christology ponders who Jesus Christ is for us. The course aims to investigate the answers given in scripture and church tradition to Jesus' question, "Who do you say that I am?"

*This course is one of the 3 hour courses that may be used to obtain the Diocesan Certification in Liturgical Ministry or Youth Ministry.

Saturday mornings - 8:30 a.m. to 12 noon

Class Times - Jan. 18, 25, Feb. 1, 8, 15, 29, Mar. 7, 14, 21

Diocese of Salina Safe Environment Newsletter

January 2020

HAPPY NEW YEAR! 2020

As the season of Christmas comes to an end and we begin a new calendar year, we want to take this opportunity to thank you for all the work you do in the Diocese of Salina, and share with you a letter Bishop Vincke received from Stone Bridge Partners this fall.

Dear Bishop Vincke:

We are writing to inform you that the Diocese of Salina is in compliance with the data collection requirements for the 2018/2019 Charter audit period. We have reviewed this information and will be forwarding the documents to the Secretariat of Youth and Child Protection for use in the 2019 Audit Report.

Thank you for your cooperation and for participating in the data collection process.

Sincerely,
Stone Bridge Partners
Rochester, New York

This letter represents true commitment and dedication to the Charter, promise to protect and pledge to heal. We sincerely thank you for your ministry, as you faithfully implement the Safe Environment Program in your parishes and schools.

As a Community of Faith

During this past year, along with many other Diocese around the world, our Diocese has had its ups and downs. The effects of the sexual abuse within the church has certainly caused a myriad of emotions, and many people wonder...when will end? In passing I heard a priest say, "I am not sure anyone can answer that question, but it is with great hope that not only the abuse will end, but also the need to report is never again necessary." It is warming to know that our Priests, Bishops and our Holy Father are addressing the issue for the protection and healing not only in the Catholic Church, but maybe for the whole world. May God continue to bless you with the grace, strength and perseverance to protect and to heal.

Any allegation of the abuse of a minor, may be reported to the Kansas Protection Report Center (1-800-922-5330), the KBI Crime Hotline (1-800-KSCRIME) or ClergyAbuse@kbi.ks.gov. The Diocese of Salina fully participates in all criminal investigations related to abuse perpetrated by a member of the clergy or other church official. For the safety of children and the healing of those who have suffered abuse,

THE DIOCESE OF SALINA

provides an

*The protection and care of our children
and those who are vulnerable
deserve our very best.*

As we begin a new calendar year and in our fight to protect and heal, it is important that we practice self-care. This type of work can be stressful, depressing and sometimes even painful.

HERE ARE SOME WAYS YOU CAN PRACTICE SELF-CARE

- ✦ Pray more... sign up for a Holy Hour at your Parish
- ✦ Read Scripture...the word of God is an excellent source of hope and comfort, it helps us to discover wisdom and gives us strength
- ✦ Exercise.... Have you tried Pietra Fitness? [Learn more here](#)
- ✦ Relax...do less, let go, breathe, journal, listen to music
- ✦ Live life... go out with friends, take a walk ride your bike take a vacation, get a pet
- ✦ Hug someone...research shows human touch can bring down heart rate and blood pressure
- ✦ Read...fiction, magazines
- ✦ Go to the Movies...or binge watch Netflix
- ✦ Utilize the tools that have already been given to you...the Mass, Sacraments, Holy Eucharist the Rosary

Know that Jesus continues to accompany you and that God's love for you is unconditional. Ask for Mary's assistance, she is listening to what we say and will bring it to Jesus. She will ask him for all the graces we need As we enter into this new year, keep the faith, carry on, continue the fight, and most of all, take care of *yourself*.

Morning Consecration to Mary

My Queen, My Mother, I offer myself entirely to thee. And to show my devotion to thee, I offer thee this day, my eyes, my ears, my mouth, my heart, my whole being without reserve. Wherefore, good Mother, as I am thine own, keep me, guard me as thy property and possession. Amen

Remember: The CMGConnect data base will have a new look, as the 2.0 relaunch was a success. Thank you for your patience and understanding during the time the site was down. As Diocesan Administrators we aren't yet familiar with all the updates and features, but they have reminded us it is similar to a smart phone update. As updated administrator guides and flyers become available, we will email them out to all parish and school Safety Coordinators in the Diocese. Please continue to monitor the data base *weekly* as in the past.

We Are Made for More!

A Q&A with Christopher West and Mike Mangione

MANHATTAN, KS. As parishes and families try to keep up with a fast-moving world where the definition and purpose of our humanity seem to constantly change, an eye-opening and breathtakingly beautiful national touring event called **Made for More: Visions of the Promised Land** is coming to **St. Thomas More Catholic Church, 2900 Kimball Ave., in Manhattan at 7 p.m. on Wednesday, May 13, 2020.**

"Where do we come from and where are we going? If we don't have compelling answers to these questions, we have no orientation in our lives," says Christopher West, world-renowned teacher of St. John Paul II's liberating vision of human life and love called "Theology of the Body."

The event, led by West and internationally touring folk/Americana musician Mike Mangione, will dive deeply into life's deepest questions and provide both grounding and great hope.

"This is not just a lecture or a talk," insists West. "It's an evening of beauty and reflection that weaves music, video, images and the spoken word into a message of hope that there really is a banquet of love that corresponds to the deepest hunger of our hearts."

West and Mangione recently spoke to the media about some of these clues and much more, including the transformation they hope takes place in those who attend Made for More. **The evening is hosted by St. Thomas More Parish and co-hosted by the Diocese of Salina and St. Isidore Catholic Student Center and Seven Dolors of the Blessed Virgin Mary Parish in Manhattan.**

What is Made for More? Why is this your focus?

Christopher West: We call it Made for More because we yearn for so much more than what the world is telling us. The world understands that we are creatures of hunger and passion, but they lead us to what I call "the fast food gospel," which is the promise of immediate gratification for that hunger. Many people think Christianity, on the other hand, is an invitation to a "starvation diet." No! That's not the Gospel. Christianity is an invitation to an infinite feast of life-giving love, and that's what this event is all about.

Mike Mangione: It's a presentation meant to meet you where you are and bring you to a place of communion. It is the culmination of Christopher's 25 years in this work, my 15 in music and our friendship. It is a conversation through sight and sound about how God reveals himself through creation and how our desires are meant to draw us closer to Him. It is a special and unique opportunity coming to your area.

It is my focus because it addresses the question of what it means to be human, Christian, Catholic right at a crucial moment in our history. We really need to look at these questions before we lose ourselves and slip into a stale state of indifference as a culture.

How is it different from other Catholic presentations?

MM: It is broad and relevant to all types of people.

Christopher West (l) and Mike Mangione. Photo from The Cor Project.

"Catholic talks" tend to be more on a specific element of the Catholic tradition/faith. This talk will be focused on the human heart no matter where it has been before. This presentation uses sight, sound, video, music, and images to reveal, teach and enable us to experience something communally as a group.

CW: Catholicism is a sensual religion – meaning, we experience the divine in and through our bodies, through our senses. And this event is designed to engage your senses, to wake them up and enable a new way of seeing, of hearing, of experiencing the world.

Mike, what is your role in the event? What are you trying to convey through your music?

MM: I am a co-creator as well as the musician for the event. My goal is to facilitate an experience that is communal between presenters, recipients and the Holy Spirit. I call it the Holy Campfire experience ... where we can all gather around and discuss the deepest mysteries of what it means to be human and be part of the human mystery. It is sometimes easier to achieve this with music because, like most art forms, it is often felt first and understood later. My aim is to create an event that brings the audience into the experience rather than just simply watching a talk.

Christopher, what are you trying to convey through your presentation?

CW: We're taking people on a journey through some particular words of Christ. We start with: "They look but do not see." So we've been trained to look at the world, but not see it; to look at the human body, for instance, but not see it. All of creation has a message, and Jesus says, "Come and become one who sees." He's in the business of giving sight to the blind.

The great battle between lightness and darkness is particularly intense in the world today. The meaning of our humanity is being eclipsed. The goal of this event is really to help turn the lights on for people, so they can see the mystery of God revealed through all of creation, and especially through our own humanity, our own bodies as male and female. Through that "coming to see," our eyes are opened in stunning new ways to God's plan for creation and for our own lives.

Mike, what is the "dance" between your music and Christopher's presentation?

MM: There are places music can go that the spoken word cannot. There is so much happening at once: lyrics, melody, instrumentation etc. All of these things can combine into a potent force that can pierce the heart. Sometimes the spoken word can tease out very clear ideas in a way that music never can. Combined, if done correctly, you can create a full head and heart experience. We try to create an experience where Christopher sets up a thought or a vision and then the music helps to prayerfully reflect upon it.

Is Made for More just for adults and parents? Or can youth attend?

MM: Made For More is for everyone who is ready to ponder the questions "Who am I, what am I, and where am I going?" This event is for married, single, celibate, Catholic, non-Catholic, devout, skeptic, youth and ... experienced.

Why is art and beauty essential to the event?

CW: Art is the language of the heart and the heart is wired for beauty, but, sadly, a lot of us are anesthetized in the modern world. "Anesthetized" actually means "numb to beauty." We want to wake people up to beauty, and through that, help people get in touch with their deepest yearnings. That's where we discover the great mystery we are all part of.

How can Made for More transform a parish? How can it help the priest and parish leadership?

MM: Made for More can tenderize the hearts and dig the furrows for the Holy Spirit to drop seeds and cultivate. We provide post-event resources that help those seeds take root and potentially grow into something beautiful and life-giving. Any seeds dropped in the right conditions can provide an abundant harvest.

What would you like attendees to come away feeling?

MM: Empathy, affirmation and hope.

CW: That they're not crazy to yearn for more than what this world offers. They're not crazy to want to be loved and affirmed as they are, behind the masks, warts and all. They're not crazy to imagine a world where every tear is wiped from the eye and every cry of the heart is answered. It's called "the promised land," and we want to give people a vision of it.

HAPPY
NEW YEAR
2020

family MATTERS

THE MONTH OF January

*"May the Lord allow us to
be artisans of peace every
day of the new year."
~Pope Francis*

The new year has begun. We are already immersed in the January feasts and celebrations in the church. But, let's take a minute to reflect on Advent and Christmas. How was your Advent season? How did you celebrate Christmas with your family?

Advent....the beginning of the liturgical year, a time of great anticipation and preparation. Were your homes filled with age-old Advent practices to help your families live closer to Christ? Were you able to take time and make room in your heart during the Advent season for the birth of our Lord Jesus

Christ on Christmas Day? Did you make new memories, or hold on to old traditions? Or... did your families Advent fall apart? We all have good intentions, but life is busy; parties, concerts, programs, shopping, baking, the list goes on. Will the season of Advent be "better" next year? The answer is... it will probably fall apart again. Expect that going into the season. It is nice to begin with good intentions, but be realistic and have a backup plan.

If nothing else, embrace *one* thing - that's enough. The season of Advent doesn't have to be perfect. You don't have to achieve holiness or perfection in four weeks. You just have to walk together. God will meet you on the road.

The Solemnity Feast Day of the Holy Family is celebrated on the first Sunday after Christmas. Because Advent and Christmas are also in the month of December, the feast day sometimes gets overlooked.

This feast day is a reminder of the example Mary and Joseph set in welcoming Jesus into their lives.

The Holy Family serves as a model for us all.

In *Amoris Laetitia*, Pope Francis calls dialogue "essential" for family life and offers ten challenging tips to try in your own families.

1. Recognize the real "importance" and dignity of the other person.
2. Try to understand where the other person is coming from.
3. Put yourself in the other's "shoes".
4. Be ready to "listen patiently and attentively to everything the other person wants to say".
5. "Keep an open mind."
6. Our goal is to advance the common good.
7. Try not to offend, and don't vent.
8. Love everyone.
9. Base positions on beliefs and values.
10. PRAY!

[Click here for a more detailed explanation of each of the ten tips.](#)

**HOW MIGHT OUR FAMILIES BE DIFFERENT THIS YEAR, IF WE TRULY
TOOK POPE FRANCIS' WORDS TO HEART?**

Feast of the Holy Family

POPE FRANCIS' VISION IS A
VISION OF JOY-FILLED LOVE.

LET'S SHARE IT!

Prayer for Family Commitment

Dear God our Father, you have called all Christian families to be a sign of your love to the world. Help us to be generous with the gifts of life and love that you have showered on our family. May we share them so that our homes become true signs of unitive and fruitful love.

Let us never forget to thank you each day for all that sustains us and to look to Christ, who comes to us in the events of family life, in the sacraments of the Church, and in service to the poor. In all of this, our family becomes a living expression of your Church, a hallowed home of life and love. By the power of the Holy Spirit, may all of us—spouses, parents, and children—share, as members of his Body, in Jesus' mission to build a civilization of love. Father, we ask this in Jesus' name in union with the Holy Spirit. Amen
