DIOCESAN CALENDAR dates for the fiscal year of 2022-2023 are attached. Event dates are subject to change and updates and additions to this calendar will be posted on the diocesan website and listed on the monthly calendar sent out with the SDNB.

OFFICE OF FAMILY LIFE

2022 DIOCESAN MEN'S CONFERENCE is set for Saturday, August 13th, at Immaculate Heart of Mary parish in Hays. The theme is "Called to Protect"! Please note this theme is a change from last month's SDNB. Keynote speaker is Dr. Mario Enzler, former Swiss Guard, and renowned Catholic speaker. A poster has been sent via email to all parishes in the diocese to be used to promote this event. Please print and use as bulletin inserts and display them on parish bulletin boards. Also, share them with men's groups such as K of C, etc. of your parish.

MARRIAGE PREP AND ENRICHMENT CALENDAR OF EVENTS can be found on the diocesan website. The next Engaged Encounter Weekend is scheduled for June 8-10 at the Spiritual Life Center in Victoria. There is still room available for couples so please encourage couples to register immediately. Couples planning Fall 2022 weddings should consider attending the June weekend as the next available weekend in the diocese will not be until the weekend of September 23-25. Please contact the Family Life office if you have questions regarding an event at 785-827-8746, ext. 27.

FOCCUS training will be available later this summer. Priests, deacons or lay persons involved in marriage prep may attend. Date is yet to be decided but plans are for it to be in late July or early August. All parishes and priests will be notified as soon as a date is set.

Resources from the USCCB on all things related to Family Life can be found by going to the "Resources" link under Family/Respect Life on the Diocesan webpage.

OFFICE OF RESPECT LIFE

“VALUE THEM BOTH” Constitutional amendment will be voted on August 2nd in the Kansas Primary election. A **YES** vote is critical in defending the life and dignity of both women and children in the state of Kansas. Contact Debbie Deneault in the diocesan VTB office to schedule a speaker to visit your parish, order yard signs, bumper stickers, etc. for your parish community, or to find out how you can volunteer to help with the campaign. You can also go to valuethemboth.com for information and the latest details or to volunteer. Parishes should include prayer petitions at every Mass between now and August 2nd and schedule other prayer events such as Exposition/Adoration asking for a favorable outcome.

DIOCESAN ROSARY CONGRESS: The diocese will be participating in the Diocesan Rosary Congress October 1-7. Our Lady of Fatima requested of us to pray the Rosary daily, to offer sacrifices for sinners, and to consecrate ourselves and our families to her Immaculate Heart. The week-long Congress helps the faithful to see that we need this daily prayer in our lives. We **NEED** 7 parishes to participate, with each parish committing to 24 hours of adoration with a Rosary being prayed each hour before the Blessed Sacrament. If your parish is interested in participating or if you would like more details before committing, please contact the Respect Life office.

Resources from the USCCB on all things related to Respect Life can be found by going to the “Resources” link under Family/Respect Life on the Diocesan webpage.

OFFICE OF RURAL LIFE

RURAL LIFE DAY will be observed Sunday, August 14th. This year we will be in the West Central Deanery at the St. Fidelis Basilica in Victoria. We will be awarding the Msgr. John George Weber Century Farm Award to families who have owned, farmed or lived on the farm in the diocese for more than 100 years. If you have parishioners interested in applying for the Century Farm Award, have them check the diocesan website under Rural Life for more information. Deadline for applications is August 1st. For further information, contact Fr. Rich Daise, (785) 625-7357 or frrich@sacredheartcolby.com

OFFICE OF EDUCATION

SCHOOL YEAR: The 2021-2022 school year is in the books! There were 2,281 students enrolled in our Catholic schools this year, including 94 high school graduates. We also were able to award 29 new students in grades K-8 with scholarships from the [Scholarship Granting Fund for the Catholic Diocese of Salina](#). Please visit the link above to learn more about qualifications, and to apply for the next school year.

ACCREDITATION: Our official review from the accreditation agency, Cognia, was received recently. The review exceeded our expectations, as 81% of the standards measured were rated at the highest level. We are working on a press release for community newspapers in the coming weeks to showcase our success.

ASSESSMENTS: Students all finished up state assessments this spring, and our schools performed well on the standardized tests. School leaders and teachers will use the data to help improve instruction for the next school year.

OFFICE OF EDUCATION (cont.)

SUMMER ENGAGEMENT: Some of our schools are able to host summer programs to help keep students engaged in learning and to build healthy relationships with one another.

LUNCH PROGRAM: The federal lunch program, which has been free to ALL students the last two school years has been discontinued. Families will have to pay for lunches based on household economic income.

Have a fun and safe summer!

OFFICE OF SAFE ENVIRONMENT

SAFETY COORDINATORS: Please continue to monitor your CMGConnect database through the summer months, especially those parishes and schools who continue to have summer programs for our youth. We will not have an on-site audit this year, but it is imperative that I have accurate records, as I will still need to submit our diocesan data to our auditors. Please archive users who are not ministering and contact users who need to update. Continuing this process during the summer will make for easier "paperwork" this fall. In addition to monitoring your database, please continue to check your email for other important information from the Safe Environment Office.

MANDATORY MICROSOFT TEAMS MEETING: Microsoft Team Meetings for Parish/School Safety Coordinators will be scheduled this summer in lieu of the Fall Safety Coordinator Newsletter. Microsoft Team Meetings for Safety Coordinators of schools will tentatively be scheduled late July, and Safety Coordinators of parishes, late July and early August. An email will be forthcoming with exact dates and times. Note: You can attend a Teams meeting even if you do not have a Teams account. I will send directions with your email invitation.

OFFICE OF SAFE ENVIRONMENT (cont.)

SUMMER: As we enter the summer season, there is much excitement to be had for kids of all ages. For many of us, it is the best time of the year! For some kids though, it may be a lonely time with not much to do while parents are at work. Unfortunately, many children and teens will fill their time on social media. Do you know what your teen is posting? Do you know who they are following? Attached is a flyer called "Protecting your kids on social media." Use these tips to help your kids safely use any social media service from networking to image posting sites. Please feel free to share this flyer with your families during your summer programs, put this flyer in your parish bulletins or post it on parish/school bulletin boards. We all must continue to protect children and keep them safe, especially during these summer months. Protecting God's children, it is everyone's job.

CATHOLIC DIOCESE
of SALINA

Be a sign of mercy.

I should no longer say that I have neighbors to help, but that I must myself be a neighbor to others.

—Pope Francis, *Fratelli Tutti*, no. 81

Dear Brothers and Sisters in Christ,

The annual Peter's Pence Collection provides essential support for the Holy See's activities and help Pope Francis assist the victims of wars, oppression, and natural disaster around the world.

For example, the Pontifical Mission Societies share the Gospel with and minister to people in places that the Church designates as mission lands due to their lack of resources and other challenges. When the COVID-19 pandemic swept across the world, the Holy Father established an emergency fund at PMS to address the needs of places in Latin America, Africa, and Asia where the pandemic posed a grave humanitarian crisis. With an initial contribution of \$750,000 from the Holy Father, the Pontifical Mission Societies provided relief to people in South Africa, Pakistan, Colombia, and other countries throughout the Southern Hemisphere.

Your contribution to Peter's Pence helps fund not only the activities of the Roman Curia that assist the pope in the exercise of his ministry but also solidarity projects that aid those most in need – like the outreach described above. To learn more about the ways in which Peter's Pence supports the Holy Father's ministry of mercy, visit <https://www.obolodisanpietro.va/en.html> (English) or <https://www.obolodisanpietro.va/es.html> (español).

Please prayerfully consider supporting this year's collection as an act of mercy and charity. Join our brothers and sisters in faith from around the globe to help Pope Francis to carry out his ministry to the Universal Church and reach out to the most marginalized in our world.

Thank you and may God bless you abundantly.

In Christ's service,

+ Gerald L. Vincke

Most Reverend Gerald L. Vincke
Bishop of Salina

Protecting your **KIDS** on social media

Online social media services aren't new, but many of us are still learning how to use them without getting into trouble – especially children and teens. Use these tips to help your kids safely use any social media service from networking to image posting sites.

Do you know...

What they're posting?

Check comments and images for personal information, like phone numbers and addresses, as well as inappropriate and illegal content such as hateful or threatening speech and nudity. Delete anything you think is too much information.

How they access social media?

Mobile devices, like cell phones and tablets, let children access social media apps away from adult supervision. Children may post content and even share their locations. Review app settings to help them keep information – like their location – private.

Who they're talking to?

Your child's online contact lists and followers may include people you don't know, or even people your child only knows online. Even if you don't know the contact, make sure you know what images, messages, and other content they're sharing.

What account settings they're using?

This is where you can control who has access to your child's information. Each social media service has a different setup, so take a look at each one your child uses. Always ask yourself – *what is on the profile and who can see it?*

Who has access to their information?

Most social media services have ads and applications from 3rd parties, like games and fan pages. If children click on these or add them to their profiles, they are allowing access to their personal information. Have a discussion about what's OK to add and what's not.

Where to report?

If anyone talks to your child about sex, shares or asks them to share sexual images, or is a victim of sexual exploitation, make a report to the National Center for Missing & Exploited Children® at www.CyberTipline.com or **1-800-THE-LOST®**.
