Liturgical New Year, Advent

While the calendar year begins on January 1st, the liturgical year began on the 1st Sunday of Advent (November 30). Advent has a two-fold character. The most well-known, of course, is which we remember the First Coming of the Son of God (Christmas). But Advent is also a time when our minds and hearts are led to look forward to Christ's Second Coming at the end of time. Therefore, Advent is a period of devout and expectant delight. The Advent season will add more busyness to our lives. But it seems we are always busy, no matter what season it is. The most important thing we can do is to take time to pray. The saints taught us that the busier we are, the more we need to pray. St. Elizabeth Ann Seton said, "The coming of the Lord is near. Let us await with faithful hearts, purified minds and joyful spirits."

Merry Christmas to all of you and your family! Jesus was born for you. May we receive the Christ child with hope, joy, and peace. He was born in a manger. There is no place that Jesus is afraid to go to in our lives, even the parts that are often messy. "Open wide your door to the one who comes. Open your soul, throw open the depths of your heart to see the riches of simplicity, the treasures of peace, the sweetness of grace. Open your heart and run to meet the Sun of eternal light that illuminates all people." St. Ambrose

NEIGHBORS NEAR & NEIGHBORS FAR:

Retired Religious

In 2024, \$28.1M was raised nationally, while annual care costs exceeded \$1B. The average annual cost to care for a senior religious is \$56,600/person. Typical Social Security benefit for a retired religious is \$9,090—less than half that of the average lay beneficiary. This gap underscores the critical importance of the national appeal.

To Give:

Anytime during the month of December, place an envelope in your Parish Collection labeled "Retired Religious"

Together, let us be disciples of Jesus on mission!
